As parent and/or child care provider in the StanWORKs Child Care Program, it is your responsibility to review the StanWORKs Child Care Parent and Provider Handbook in its entirety. This handbook contains important information that parent and child care providers need to know and understand regarding the program. You may access the StanWORKs Child Care Parent and Provider Handbook on line at www.stancounty.com. A hardcopy of the StanWORKs Child Care Parent and Provider Handbook is available upon request.

Requests for reimbursement must be submitted to the program within 60 days of the last day of service for the month. Requests for reimbursement received after the 60 day allowable time frame cannot be considered for processing and become the responsibility of the parent. Remember, the program does not guarantee reimbursement for services rendered. All uncovered child care services are the responsibility of the parent.

Effective 9/1/09, the StanWORK's Child Care Program will no longer provide Child Care providers courtesy copies of correspondence sent to parents. As beneficiaries to the program, parents are responsible to communicate changes to their contracted Child Care Provider.

Effective 10/01/09, the StanWORKs Child Care Program will be implementing an Appointment System for applications for child care services. In some cases same day appointments may be available. Parents must request appointments in person at the StanWORKs Child Care Program reception window located at 251 E Hackett Rd. Modesto CA. 2nd floor of the Family Services Entrance. For Child Care information call (209) 558-2332.
